HON. CAMILLE VILLAR

Senator of the Republic of the Philippines
Senate of the Philippines

We respectfully request your assistance in providing agricultural machinery for the benefit of the farmers and members of **Mayap Care Agricultural Cooperative** in **Barangay Care Zone #5, Tarlac City, Tarlac**.

Specifically, we are requesting:

1. **50 HP 4-Wheel Farm Tractor (Kubota L5018)** – for land preparation, plowing, harrowing, and other farm operations; and
2. **D70 Rice Combine Harvester** – to reduce harvesting costs, minimize crop losses, and improve farming efficiency.

Our cooperative aims to help our farmer-members reduce the cost of renting privately owned farm machinery and provide timely access to essential agricultural equipment. Having our own tractor and rice combine harvester will allow us to respond more quickly to the needs of our farmers, especially during calamities and other situations that may affect farming operations, while helping them reduce production costs and protect their livelihoods.

The equipment will be properly managed by the cooperative and made available to qualified farmer-members to ensure that as many farmers as possible can benefit from the assistance.

We humbly appeal for your favorable consideration of our request. We are willing to submit all necessary documents and requirements for evaluation.

Thank you very much, Senator Villar, for your continued support of Filipino farmers. Your assistance would greatly contribute to improving the livelihood of our members and strengthening agriculture in our community.

We sincerely hope for your favorable response.

Respectfully yours,

Board Of Directors
